

Are we the employer you've been looking for?

KEYSTONE RAMPWORKS APPLICATION

Thank you for your interest in employment. We are always looking for fun, friendly, honest, responsible, mature and qualified people!

Before you continue with our application, we've highlighted some of our expectations.

APPEARANCE

We are a family friendly establishment, we don't like uniforms, but we do understand their purpose. As a Crew Member, it goes without saying, you are the face of our business. We don't supply uniforms, as we believe in individuality, but we have limitations; No inappropriate language or images, No holes in your clothing, No tight fitting or overly baggy clothes, Good hygiene (cut nails, trimmed beards, hair tied back if working in the kitchen), No opened toed or heeled shoes.

CHARACTER

Honesty is the best policy, but in case you don't feel that way, it is a requirement for us. We understand, this may just be a job, and that's ok. We want our employees to have goals and we want to know that integrity shows in every facet of your life, including our business. Being personal and polite with customers, accurate cash handling, proper use and safety in equipment handling, taking constructive criticism, finding solutions and being the same you all the time, builds character and builds a great foundation.

You don't work for free, neither do we. We expect the same respect from your friends and family.

SCHEDULE

Absenteeism and tardiness are not acceptable. You want to earn money, we expect you to do so. We are a full time business, weekends, holidays, you name it, we're there for our community. We offer the ability for flexible schedules, but not at the undertaking of other crew members. We work as a crew, we discuss business and schedules as a crew and we also reward as a crew.

FACTS

Opinions are not facts and this is a very serious part of our business. It is extremely important we always work with facts for the safety of our patrons, riders, and employees. Incidents do occur and incident reports are very important in our line of business. If you feel you can not leave your judgement and opinions at the door, we kindly ask you not let the door hit you on the way out.

GET WHAT YOU PUT IN

Our Mission: "Ramping up the community of action sports by offering a skatepark that is a growing keystone for riders. Supporting and partnering with local business', we know and trust, while creating a distinction that leads to family ties."

Keystone Rampworks was built for our community and we commit to bettering those opportunities for our area. If you enjoy working with people, building yourself and others to better opportunities, are courteous, have good people skills, are creative, have goals and love a challenge, we look forward to meeting with you in an interview.
